## EVERY COLOR MAKES A NEW STORY

we believe that every space should be vibrant & colorful to celebrate your lifestyle, to reflect this belief, our acrylic laminates are designed in an alluring spectrum of colors

AVAILABLE SIZE  
2440mm x 1220mm (8ft x 4ft)  
thickness - 1.5mm (± 10%)

## About us...

At Poco Loco, we believe that true design is a blend of art and innovation. As a leading name in the acrylic laminate industry, we are dedicated to delivering surfaces that not only look stunning but also perform exceptionally. Our laminates are crafted from 100% pure acrylic, featuring a premium 6H high-gloss, anti-scratch finish—built to last and made to impress. With a bold range of vibrant colors and modern textures, we aim to transform ordinary interiors into extraordinary spaces. Designed to be used on MDF and HDMR, our acrylic sheets are the perfect solution for modular furniture, wall panelling, and high-end decorative applications.

At the heart of Poco Loco is a commitment to quality, creativity, and customer satisfaction. We continuously evolve with global design trends to bring you acrylic solutions that redefine elegance, durability, and functionality.

# AUTHENTIC FEATURES THAT ENLIGHTEN YOUR SPACE

"Let your space reflect brilliance and resilience with our premium acrylic laminates.

Engineered for elegance, they are scratch-resistant, moisture-proof, and easy to maintain.

This stunning high-gloss collection transforms everyday surfaces into modern design statements."

## 1.5mm Thickness

Our 6H Anti Scratch Acrylic Laminates are available in a uniform thickness of 1.5mm, ensuring exceptional solidity.

## Water & Stain Proof

With a special coating on the surface, our 6H Anti Scratch Acrylic Laminates are water-proof and stain-proof.

## Termite & Borer Free

Our laminates are specially treated to remain termite and borer-free for several years.

## Strong & Durable

Our Anti Scratch Acrylic Laminates are extremely sturdy and durable, able to withstand heavy loads.

## Light Weight

For ease of use and effortless installation, our range of laminates have been developed to be light-weight.

## 6H Antiscratch 100 % Acrylic

Our range of laminates has Antiscratch properties up to 6H Hardness Pencil Test and are Manufactured with 100 % finest Acrylic

# MULTIPLE APPLICATION POSSIBILITIES

"Versatility lies at the heart of our acrylic laminates, making them the ideal solution for a wide variety of interior applications. Their resilience to everyday wear and tear, combined with refined aesthetics, makes them a top choice for spaces where durability and design matter most."

### CAUSES OF CRACK LINES OR STRETCH LINES IN POCOLOCO ACRYLIC LAMINATE SHEETS.

To avoid the inside cracks & stretch line  
Do not store acrylic sheet in roll form.

- Improper handling / transportation / storage of POCOLOCO
- Improper installation of POCOLOCO
- Improper or unintended usage of POCOLOCO
- Lack of or improper maintenance of POCOLOCO
- Exposure to high temperatures
- Unauthorized alteration to the products
- Outdoor applications
- There will be no guarantee or exchange under any circumstances
- Color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations
- This brochure is for presentation purposes only. Actual colors may differ.

To avoid de lamination / air bubbles in between ply and laminate the above steps should be taken care of.  
Bonding of acrylic sheets shouldn't be completed under high humidity
